

WITH LOVE THINGS ARE POSSIBLE

This paper has been sent to you for good luck. The original is in New England. It has been sent around the world nine times. The luck has been sent to you. You will receive good luck within four days of receiving this letter, provided in turn you send it on. This is no joke. You will receive good luck in the mail. Send no money. Send copies to people you think need good luck. Send no money as faith has no price. Do not keep this letter, it must leave your hands within 96 hours. An RAF officer received \$470,000.00. John Elliot received \$40,000.00 and lost it because he broke the chain. While in the Philippines, George Weuch lost his wife six days after receiving the letter. He failed to circulate the letter. However, before her death he received \$7,775. Please send 20 copies and see what happens. The chain comes from South America. Since this copy must tour the world, you must make 20 copies and send it to friends and associates. After four days you will get a surprise. This is true even if you are not superstitious. Do note the following: Constantine Diar received the chain in 1983. He asked his secretary to make 20 copies and send them. A few days later he won the lottery of \$2,000,000.00. Carlot Daddid, an officer employee, who received the letter, forgot it had to leave his hand within 96 hours. He lost his job. Later after finding the letter again, he mailed 20 copies. A few days later he got a better job. Dallas Fairfield received and not believing, he threw the letter away. Nine days later he died. In 1987, the letter was received by a young woman in California, it was very faded and barely readable. She promised herself she would retype the letter and send it on. But she put it aside to do it later. She was plagued with various problems, including expensive car repairs. The letter did not leave her hand in 96 hours. She did type the letter as promised and got a new car.

Remember, send no money, do not ignore this.....IT WORKS
